## IT PAYS TO CHOOSE EFFICIENCY WITH HIGH VOLUME

The **Kent C Articulated** is designed to make high-volume urban transport convenient for passengers and more profitable for operators. With wide double doors at the front, rear and centre, everyone can get on board quickly and comfortably. The stylish interior has room for up to 164 passengers as well as wheelchair and pushchair space. Its DAF engine is economical to run, while automatic transmission, EBS and ECAS help drivers manoeuvre smoothly and safely through city streets.
