TALLINN CITY TOUR

AUDIO-GUIDED TALLINN CITY SIGHTSEEING

RED LINE

Red route introduces the history of Tallinn City centre but also takes you to Kadriorg (Palace Ensemble), harbours, to the oldest suburb called Kalamaja and to the Lennusadam Seaplane Harbour. Red line gives a good overview of history and development of Tallinn through the centuries. This route also gives you an opportunity to see the biggest variety of architectural contrasts.

Маршрут красной линии познакомит Вас с историей центра города Таллинна и, кроме того, проведет до Кадриорга (дворцовый комплекс), в порты, в старейший пригород Таллинна, который называется Каламая, и в Летную гавань Lennusadam. Красная линия дает хороший обзор истории города Таллинна и его развития на протяжении столетий. Это также хорошая возможность увидеть максимальное количество архитектурных контрастов.

La línea roja le mostrará la historia del centro de Tallin y además le llevará a Lasnamäe, Kadriorg (el complejo del palacio), a los puertos y a Kalamaja, el barrio más viejo de Tallin. La línea roja le dará una vista general de la historia y del desarrollo de Tallin a través de los siglos. También es una buena oportunidad para observar el contraste entre varios estilos arquitectónicos.

Die rote Linie stellt Ihnen die Geschichte des Tallinner Stadtzentrums vor und führt Sie außerdem nach Lasnamäe, Kadriorg (Schlossanlage), zu den Häfen und in den ältesten Vorort Tallinns - Kalamaja. Die rote Linie gibt einen guten Überblick über die Geschichte und Entwicklung Tallinns im Laufe der Jahrhunderte. Auch ist es eine gute Gelegenheit, zahlreiche architektonische Kontraste zu besichtigen.

La ligne rouge vous présente l'histoire du centre ville de Tallinn et en plus vous emmène à Lasnamäe, à Kadriorg (ensemble de châteaux), ports et au faubourg de Tallinn le plus vieux appelé Kalamaja. La ligne rouge vous donne un bon aperçu de l'histoire de Tallinn et de son développement au travers des siècles. C'est également une bonne occasion de voir plusieurs contrastes architecturaux.

Punainen reitti esittelee Tallinnan keskikaupungin historiaa. Viemme teidät myös Kadriorgin puistoon, satamiin sekä Tallinnan vanhimpaan, Kalamaja-nimiseen esikaupunkiin. Punainen reitti antaa hyvän yleiskuvan Tallinnan historiasta ja sen kehityksestä vuosisatojen aikana, tarjoten yhtaikaa runsaasti arkkitehtonisia kontrasteja.

Röda linjen ger en överblick över historien av Tallinns stadskärna men du får även se Kadriorg (barockslottet och -parken), hamnar, stadens äldsta förort Kalamaja och Flyghamnen. Röda linjen ger en bra översikt över Tallinns historia och dess utveckling genom århundraden. Denna linje är också rik på arkitektoniska kontraster.

Percorso Rosso presenta la storia del centro della città di Tallinn, ma porta anche a Kadriorg (Complesso dei Palazzi), porto, e nelle zone periferiche più vecchie che si chiamano Kalamaja e al porto idrovolanti Lennusadam. La linea rossa dà una buona panoramica della storia e dello sviluppo di Tallinn attraverso i secoli. Lungo questo percorso avete anche l'opportunità di vedere una vasta varietà di contrasti architettonici.

GREEN LINE

Green route takes you from the city centre to the eastern parts of the town. The comments accompanying the trip will introduce the sights and events related to each location such as Kadriorg Palace Ensemble, Song Festival Ground, Botanical Garden, Pirita Convent, Pirita Yacht Port and to the TW-Tower.

Зеленая линия проведет Вас из центра города в восточную часть Таллинна. Во время поездки Вы прослушаете комментарии, которые ознакомят Вас с достопримечательностями и событиями, связанными с тем или иным местом. Линия проходит, например, через Кадриоргский дворцовый комплекс, Певческое поле, ботанический сад, монастырь Пирита, Яхтенную гавань Пирита и Телебашню.

La vía verde le llevará a la parte este de la ciudad. Durante el recorrido se hablará de las atracciones y eventos relacionados con cada lugar, como el parque de Kadriorg, el Campo de la Canción, el jardín botánico, el convento de Sta. Brígida, el puerto deportivo de Pirita y la torre de la televisión.

Die grüne Linie führt Sie von der Stadtmitte in den östlichen Teil Tallinns. Während der Fahrt hören Sie Erläuterungen zu Sehenswürdigkeiten und Ereignissen, die mit einzelnen Orten verbunden sind. Die Linie führt an der Schlossanlage von Kadriorg sowie am Sängerfestplatz, dem botanischen Garten, dem Nonnenkloster von Pirita und dem Jachthafen von Pirita vorbei.

La ligne verte vous emmène du centre ville à la partie orientale de Tallinn. Pendant le voyage vous entendez des commentaires qui vous présentent des curiosités et des événements liés à chaque endroit. La ligne passe à côté du quartier de Kadriorg, de l'Esplanade du Chant, du Jardin Botanique, du Couvent de Pirita et du port de plaisance de Pirita.

City Tourin vihreä reitti kulkee Tallinnan keskuksesta itäisempiin kaupunginosiin. Matkaanne saattavat selostukset kertovat reitin varrella olevista paikoista ja antavat yleiskatsauksen niihin eri aikoina liittyneistä tapahtumista. Kiertueen tärkeimpiä kohteita ovat Kadriorgin palatsi, Tallinnan laulukenttä, Tallinnan kasvitieteellinen puutarha, Piritan luostari, Piritan venesatama ja Tallinnan televisiotorni.

Med City Tours gröna linje får du se stadsdelar som ligger öster om centrumet. På vägen får du höra om sevärdheter samt olika evenemang och händelser i samband med dessa platser, som Kadriorg slott och park, sångarfältet, botaniska trädgården, Birgittaklostret, jakthamnen i Pirita och TV-tornet.

Il percorso verde vi porta dal centro della città verso est. I racconti che accompagnano il viaggio introducono i monumenti e gli eventi relativi ai seguenti luoghi - Complesso di Palazzi Kadriorg, Auditorium del Festival della Canzone Estone, Orto Botanico, Il Convento di Santa Brigida, la marina di Pirita (porto turistico) e alla torre televisiva di Tallinn.

BLUE LINE

Blue route takes you through Tallinn's historic suburbs to Rocca al Mare where you can visit the open-air museum that introduces old Estonian country life, the zoo, a large shopping centre, several sports centers and to the Lennusadam Seaplane Harbour. During the one-hour ride you will learn about Tallinn's past and present.

Синяя линия проведет Вас по историческим пригородам Таллинна в Рокка-аль-Маре, где Вы сможете посетить Музей под открытым небом, знакомящий с традициями сельской жизни, зоопарк, большой торговый центр, различные спортивные центры, а затем отвезет Вас в Летную гавань Lennusadam. За один час пути Вы познакомитесь с Таллинном вчерашним и Таллинном сегодняшним.

La línea azul le llevará, a través de los barrios históricos de Tallin, a Rocca al Mare, donde conocerá la vida campesina tradicional de Estonia en el museo al aire libre, podrá visitar el zoológico, un gran centro comercial y varios centros deportivos; y luego irá a Lennusadam, el hidropuerto. Durante la hora que dura el paseo usted conocerá el Tallin de ayer y hoy.

Die blaue Linie führt Sie durch die historischen Vororte Tallinns nach Rocca al Mare, wo Sie das Freilichtmuseum besuchen können, in dem Ihnen das traditionelle ländliche Leben vorgestellt wird, außerdem können Sie auch den Zoo, ein großes Einkaufszentrum und einige Sportzentren besuchen. Während der einstündigen Fahrt lernen Sie die Vergangenheit und die Gegenwart Tallinns kennen.

La ligne bleue vous emmène par les faubourgs historiques de Tallinn à Rocca al Mare où vous pouvez visiter le musée de plein air de l'Estonie qui expose la vie paysanne traditionnelle, au Jardin Zoologique, à un grand centre commercial et aux plusieurs centres sportifs. Lors de ce trajet d'une heure vous faites connaissance avec la vie actuelle et la vie passée de Tallinn.

Sininen reitti vie teidät historiallisten esikaupunkien kautta Tallinnan keskustasta Rocca al Mare lähiöön, jossa sijaitsevat ulkoilmamuseo, eläintarha, iso kauppakeskus, useat urheilukeskukset ja Lentosatama . Tunninpituisen matkan aikana tutustutte Tallinnan menneisyyteen ja nykypäivään.

Blåa linjen tar dig genom Tallinns historiska förstäder till Rocca al Mare, där du kan besöka friluftmuseet, djurparken, ett stort köpcentrum och flera sportcentrum, samt till Flyghamnen. Under en timmes resa får du en översikt över Tallinns historia och nutid.

Il percorso blu vi porta alla periferia di Tallinn a Rocca al Mare dove potete visitare il museo all'aria aperta che introduce la vecchia vita contadina Estone, allo zoo, ad un grosso centro di shopping, vari centri sportive e al porto idrovolanti Lennusadam. Durante questo giro che dura un ora scoprirete sia il passato che il presente di Tallinn.
